Confederate States of America [no date]
[Chisolm, Frederic F. (or)
Chambers, Hiram A., writers]

2 empty bill envelopes.

[The first has the addresses of Frederic F. Chisolm and Hiram A. Chambers written on it.]

[It is possible that the notes on all the envelopes were written by Chisolm or Chambers, and were sent from one to the other, but ended up with Chapman material.]

[This item is puzzling, as the "Confederate" money envelope not seem to match what's inside, being a $5,000 life insurance policy, sold by the Fidelity + Casualty Co. of New York.]

[On the back is written the Philadelphia address of H.A. Chambers]

[The first date is the date the Confederate money was issued, the second is when the life insurance policy was issued.]
